Dear Parent / Guardian

On Friday Feb. 16th we will conduct a student survey involving the 8th, 10th, and 12th grade classes. The survey is the Illinois Youth Survey given statewide during the spring school semester. The Illinois Youth Survey will provide our school with a local report of the combined student results which will help to determine which programs may be needed to keep students safe and healthy.

You can visit the Illinois Youth Survey website at <http://iys.cprd.illinois.edu> if you need more information.

We have a very short window for an opportunity to give the survey due to our busy class schedules. I truly apologize for the short notice.

Below is a section to sign if you wish to exclude your child from taking the survey. Please fill it out and send it back with your child before the morning of Friday Feb. 16th.

Please call me at the high school if you have any questions.

Thank you!

Sincerely,

John L. Cummins, Principal  
Galatia Jr. / Sr. High School
