Galatia Jr. High Supply List 2018-2019

The Galatia Jr. High teachers would like to take a moment to tell you how excited we are to meet and educate your child next year at Galatia Jr. High! Transitioning from 6th grade to 7th grade can be challenging at first…but the good news is that the transition period will not last very long!

Be patient…it might take several weeks before your child gets adjusted to learning their schedule, rotating classes, turning in assignments, getting to and from their locker with all of their classroom materials, and adjusting to not only a new environment but also multiple teachers. *It's a big adjustment, so please encourage your child to ask us for help!*

Get organized…organizational skills are crucial for success! Feel free to implement whatever method(s) you feel will help your child get organized and stay organized. Examples include, but are not limited to, the use of: binders, folders, separate notebooks per subject, and so forth.

The following items are shared between all JH teachers and will benefit all students

- **2-3 boxes of Kleenx**
- **2-3 boxes of pencils**
- **2-3 packs of pencil top erasers**

- **Aerosols are not to be used in the JH due to a severe allergic reaction.** Students are allowed to use aerosol body spray/deodorant in the locker rooms only.

Galatia Jr. High Supply List | 2018-2019
